## Disposing household trash

---

**Use only the official pre-paid trash bags from the City of St.Gallen for your garbage no other bags are allowed!**

Every type of garbage can be put in the garbage bags.

When the bag is full, bring it to the next underground container as soon as possible.

You can place your garbage bag at the street only at the collection day from 07:00 a.m. The collection tour starts early in the morning.

It is forbidden by the authority to place it the day/evening before at the street.

**It is not allowed to store garbage in your accommodation!**
